It's About Childhood & Family, Inc. is a not-for-profit clinical and resource center dedicated to enhancing the quality of childhood and family life in our communities. Our mission is to advocate for all children by providing innovative, child-centered, and solution-focused mental health programs with a commitment to a collaborative approach to change. We believe that children should not be defined by labels, but instead by their strengths and talents.

It's About Childhood & Family, Inc. offers a range of professional services directed towards strengthening the child, family system, and the larger community.

Children's
CONSORTIUM

www.childrensconsortium.org

315.471.8331

Children's Consortium provides home- and center-based services that empower caregivers to promote successful emotional, physical, educational and economic outcomes for children and their families.

We envision a community in which all children and their caregivers realize their educational goals, live in safe and nurturing environments, and are economically self-sufficient. **Children's Consortium** will strive to strengthen the delivery of its services to clients and expand its leadership role in the community to identify and meet the needs of children and families. **Children's Consortium** supports this vision while preserving the integrity, unity and diversity of the family.

John Rosemond

The Diseasing of America's Children: Exposing the ADHD Fiasco and Empowering Parents to Take Back Control (2008)

www.rosemond.com

John Rosemond is regarded as one of America's most widely read parenting experts. He has worked with families, children, and parents since 1971 in the field of family psychology. In 1971, John earned his masters in psychology from Western Illinois University and was elected to the Phi Kappa Phi National Honor Society. In 1999, his alma mater conferred upon John the Distinguished Alumni Award, given only once per year. Upon acceptance, he gave the commencement address.

From 1971-1979, he worked as a psychologist in Illinois and North Carolina and directed several mental-health programs for children. From 1980-1990, John was in full-time practice as a family psychologist with Piedmont Psychological Associates in Gastonia. Presently, his time is devoted to speaking and writing. John is syndicated in approximately 225 newspapers nationwide and has written eleven best-selling parenting books. He is also one of America's busiest and most popular speakers and most certainly the busiest and most popular in his field. He's known for his sound advice, humor and easy, relaxed, engaging style.

In the past few years, John has appeared on numerous national television programs including 20/20, Good Morning America, The View, Bill Maher's Politically Incorrect, Public Eye, The Today Show, CNN, and CBS Later Today, as well as numerous print interviews.

Bose Ravenel, M.D.

The Diseasing of America's Children: Exposing the ADHD Fiasco and Empowering Parents to Take Back Control (2008)

Dr. Bose Ravenel is a pediatrician with twenty-six years experience in private practice and eleven years teaching residents. A member of several professional organizations, he is an author and speaker in the areas of child discipline and parenting and has appeared on numerous media outlets and participated in public debates including national meetings of Focus on the Family and the Christian Medical and Dental Association. He published a commentary titled *A New Paradigm for ADD/ADHD and Behavioral Management Without Medication*.
