

# DIANE E. GILBERT MEMORIAL FUND

This fund was established in 2002 to honor and continue Diane's unselfish and thoughtful acts of kindness/giving, especially during the holiday season (her favorite time of year). 100% of the money raised through this fund will be used to offer assistance to children and families in need throughout Central NY. For example, food baskets at Thanksgiving, gift & food baskets at Christmas, clothing, books, school programs, etc. This fund has brought in more than \$1000 to date, which has benefited many children and families in our local communities. We thank you for your continued support.
